The KRA Pre-identification export process for Ready for Kindergarten Online is performed whenever there is a need to create Pre-identification labels to submit to the testing company prior to a test administration.

Before beginning the process of creating the files, KG students must be scheduled into classes. There must also be a finalized Schedule Result set designated on DASL Options.

The KRA Pre-Ident will include the following students in the file:

- Any student in Kindergarten who is actively enrolled and is attending the district AND
- Student is enrolled in at least one class with one of the following EMIS Subject Codes:
 - o 050102 - Reading K-3
 - o 050152 - Integrated Language Arts K-3

A student's admission history records are checked to determine whether he is actively enrolled in the district or not. Ex. If a district has students that are enrolled on the first day of school 8/23/18, but the KRA pre-id is being run on 8/10/18, those students will not be included.
