Advance your knowledge of G Suite for Education through this two day Bootcamp and prepare yourself for the Level II Educator Certification Exam (Taking the exam is optional). Earn 14 contact hours from TCCSA or 1 graduate credit from Ashland University.

DAY 1 October 30

DAY 2 November 15

8:00-9:50

What You Can Do with G Suite

Learn the benefits of the Chrome browser Apps & Extensions. Improve your search skills and discover Add-ons.

Sheets

Learn advanced filter & sort skills. Explore more 'functions', protect a range, data validation and pivot tables.

10:00-12:00

Let's Communicate!

Learn about the new features of Gmail & Calendar. 'Hangout' 'Plus' extend your personal learning network with 'Groups' and the G Suite Learning Center.

Oh... the Places you'll Go!

Whether it's YouTube, My Maps, or Google Earth you'll learn how these tools can be used with your students. Arts & Culture, Expeditions and Translate will also be conquered.

LUNCH on your own each day 12:00-1:00

1:00-4:00

Blend, Flip & PBL with Core Apps

Take your Docs, Slides & Forms skills to the next level. Learn how versatile the Drawing app can be when blending, flipping or doing projects in your classroom.

Classroom Portals

Tools for sharing your resources such as Drive, Blogger, Classroom and Sites will pull everything you've learned into a portal for your audience.

Note: This Bootcamp is free for districts with PD contracts. Contact your tech coordinator or treasurer if you are unsure whether your district has a contract.

The fee for non-contract districts is \$175 for this two-day Bootcamp.

15 contact hours are required to earn a graduate credit (the graduate credit fee is \$200) A short written summary will be required for this course.

Participants may choose to take the Google Educator Level 2 Certification Exam on their own. (the exam fee is \$25) Further studying is recommended.
